

Swivel castors with "stop-top"

Item description/product images

Description

Material:

Housing thick steel plate.

Wheels welded steel body and Extrathane® tread.

Version:

Housing press formed.

Swivel castor housing with strong fork and base plate, very robust centre pin bolted and secured. The swivel head is additionally reinforced with specially formed and hardened bearing shells.

Note:

These castors are particularly shock and impact proof. The treads resist abrasion and are elastic and low-noise. Wheel axle bolted.
